HAR-14-1015

NEW

INTERIOR STYLE DRAWER SYSTEM FOR THE NÜVO PRO PRODUCT LINE

Characteristics

- The set is made of front corner brackets (sold by pair) and a silver metal front to be cut to the required width. The front portion is sold as a separate item.
- These sets will allow your customers to make interior style drawer heights of 86 – 140 – 164 or 204mm.
- The silver front metal portion comes in 1100mm lengths which is cut to the required width by your customer.
- For heights of more then 86mm you might want to add a tube that is sold in lengths of 1100mm to be cut to the required length. A handle is also available.
